

# DIPLOMA SCHOLARSHIP

## Hey, I'm Keen On A Diploma Scholarship.

Cool, we've got the right one for you.

### Great! How Will It Help Me Level Up?

- For a start, you will be working alongside experienced DSO scientists and engineers who will always be ready to guide you through your journey. So, be inspired by their ingenuity and perseverance to excel.
- Immerse fully in an internship project and gain valuable hands-on experience.
- Tell your friends that you work in interesting facilities with equipment that are out of the public eye.
- Be the privileged few and receive exclusive invites to DSO events.

### So What Other Good Stuff Awaits Me?

- You will be very pleased to know that we will fund the entire process of this expedition, covering your tuition fees and living allowances. There will be no bond attached to this scholarship. All that is required from you is a minimum 8 weeks of internship.

### Am I Eligible For This?

Yes, if you are:

- A Singapore citizen
- A full-time polytechnic student studying Electrical, Electronic or Computer-related studies
  - If you are a 1st year student, you should have excellent results for your GCE 'O' Level, ITE, Polytechnic Foundation Programme or equivalent qualifications
  - If you are a 2nd or 3rd year student, you need to obtain a minimum CGPA of 3.8

### Can't Wait. How Do I Apply?
