

SCHOLARSHIP FOR ASPIRING RESEARCHERS (SOAR)

I'm Shooting For The Stars.

We've got exactly what you need. Reach for the skies as your career in defence R&D takes off with SOAR. It's a unique award scheme designed for exceptional local undergraduates.

I Am Ready To Soar. Tell Me More!

- When you're SOAR-ing, you work with the stewards at the forefront of science and engineering in interesting facilities.
- Get a head start to your career by gaining valuable hands-on experience through exciting projects.
- You'll have a dedicated mentor providing you with guidance, and to take you along to exclusive DSO events!

Wow!

- DSO will cover your tuition, hostel and compulsory fees, as well as, provide you with an annual allowance.
- If you wish to go for an overseas student exchange programme, we will cover that too.

What About My Commitment?

- Undergraduate: 1 year bond
- The commitment stated is based on each year of sponsorship.

Sounds Good! Where Do I Apply?

You're ready to SOAR with us if you are:

- A Singapore citizen
- An undergraduate in your 2nd to 4th year with at least 4.2 CAP/CGPA or equivalent

Passionate in the following fields of work:

- Aerospace Engineering
- Business Analytics
- Computer Engineering
- Computer Science
- Electrical and Electronic Engineering
- Engineering Science
- Engineering Product Development
- Information Security
- Information Systems Technology and Design
- Mathematics
- Mechanical Engineering
- Physics

Let's Get Started.
